A LITTLE ABOUT OUR HISTORY

The Community Centre is leased by The Badger Farm Parish Council to The Badger Farm and Oliver's Battery Residents' Community Association. It was opened in November 1986. Since that time the Association has encouraged diverse activities within the building. Groups regularly using its facilities include a wide age range from babes-in-arms to the elderly covering areas such as art, dancing, exercise, sport, toddlers/pre-school, special needs and wildlife. There is also a thriving Social Club open to residents of both Badger Farm and Oliver's Battery parishes. Residents of adjacent parishes may also be members.

The Association has charitable status and is managed by a Board of volunteer Trustees. In addition, there are three employees: a Caretaker, a Bookings Secretary and a Financial Advisor. All of its spare income is spent on maintaining the building and updating facilities in line with current legislation and health and safety directives.

We are proud of our Centre and its role within the community.
